

For people with intellectual and developmental disabilities

*The Arc of the East Bay
Seeks Qualified, Innovative and Diverse
Volunteers to Fill Open Seats on Their
Board of Directors*

Hayward, California – The Arc of the East Bay is looking to fill vacancies on their Board of Directors. Additionally, the Board is looking for individuals to participate on or chair one of its many committees such as Finance, Program, Development and Membership, etc. All members of the board and committees must believe in and support the mission of The Arc of the East Bay.

The Mission of The Arc of the East Bay is to provide advocacy, support, and education to persons with intellectual and developmental disabilities and their families throughout Alameda County. We will achieve this by promoting our Vision and Core Values.

The Arc is a private 501c(3) non-profit organization who has been serving it's community for over 50 years. The Board of Directors will provide leadership to assure the success of the organization. The officers of the organization are chosen annually by the Board of Directors. All members of the board must become members of the organization and must commit to participating in bi-monthly Board Meetings. With your help we are working every day to build a future of inclusive work, play, worship, community, travel and more for people with disabilities
